

## THE POWER OF THE CROSS

The Cross stands as a rock solid reminder of God's unchanging and unchangeable love.

When we are weak, The power of the Cross strengthens us.

When we are burdened, The power of the Cross picks us up and carries us.

When the guilt overshadows our hearts, The Cross assures us that God forgives-always and completely.

The Power of the Cross flows from what happened there from the Savior who died upon it, so that we might live-forever!

The message of the Cross is foolishness to those who are perishing, but to us who are being saved, it is the power of God. (1 Corinthians 1:18 NRSV).

Leader: Our Heavenly Father sent His son into the world, not to condemn the world, but that the world, through Him might be delivered from the power of sin and death, and become heirs of everlasting life with Him.

**People: Tonight, we come to remember our Lord, Jesus Christ, who was willing to be betrayed, to be given into the hands of sinners and to suffer death upon the cross.**

Leader: Almighty God, forbid that we should forget, amid earthly comforts, the pains and mortal anguish that Our Lord endured for our salvation.

**People: Sovereign and gracious God, in this hour as we look a new at the last seven sayings of your son, Jesus on the cross, grant us a better understanding of all that He endured. Also, that by remembering His suffering and death, we may give ourselves wholly to a more committed life.**
